**COVID-19  
Office Closure  
March 17, 2020  
Effective March 18, 2020**

**Gitsegukla Administration, Health and Education facilities are closed until further notice as precautionary measure.**

All staff in all departments are required to work remotely, effective immediately. Staff members will be equipped to receive emails to their work email addresses. Essential services personnel will be equipped to receive phone calls through our regular phone system, e.g. Patient Travel, Social Development, and some Admin staff.

All community updates can be found on [www.gitsegukla.net](http://www.gitsegukla.net). We encourage you to share with other members.

In line with social distancing protocol, notices will no longer be delivered door to door until further notice. We ask that you share this and future notices with those who do not have access to online updates. All notices regarding COVID-19 measures are available on the Gitsegukla Website ([www.gitsegukla.net](http://www.gitsegukla.net)).

During this time, the best way to communicate with the respective departments is by email, the email list is provided below. If you do not have access to an email, please call the regular phone number to the respective department.

The COVID-19 situation is evolving rapidly and on a daily basis. Gitsegukla will successfully get through COVID-19 only if we work together as a community.

We would like to thank you for your patience and understanding during this time.
