

# WHAT IS A VIRTUAL WORKSHOP?

It's a safe Community meeting

We can't get together in person right now, but we can meet online

The Gitxsan West Secondary School Steering Committee  
wants your help to design a school that works  
for you, your family and your community!

All you need is a computer and internet - if you don't have one,  
a safe space with a computer and internet will be arranged  
for you and your family

Email [gitxsanwestvoices@gmail.com](mailto:gitxsanwestvoices@gmail.com) to find out more!
