Community Notice Thursday June 3, 2021

Security Gate Closing – June 11, 2021

Thank you very much for doing your part in keeping our community safe during the pandemic. As the community continues to receive its second vaccination, the need to have a security gate is reduced.

Safety of our community and its members is most important. The community security gate will continue to operate until June 11, 2021 at which point it will be removed. This date is 2 weeks from the second vaccination clinic, the point at which the full effects of the vaccine are obtained.

Gitsegukla Band Council and administration want to thank everyone who worked the gate to keep our community safe. Thank you!

Travel Radius

The Gitsegukla imposed travel radius of Terrace to Smithers has been removed; however, Provincial restrictions on recreational travel still apply. Recreational travel to the Lower Mainland, Fraser Valley, and Vancouver Island are not allowed under current provincial restrictions.
