## Gitsegukla COVID Notice - September 13, 2021

### Update

Gitsegukla Health has been notified by Northern Health that they are experiencing delays in COVID notifications reaching Health Centers.

Gitsegukla Health would like to remind community members that if you or a household family member receive a positive COVID test or are asked to self-isolate due to close contact, to reach out to Mandy or April at the Health Centre by phone if you require support or assistance with groceries and other necessities.

If you feel you may be showing the symptoms of COVID-19, please contact Mandy at Gitsegukla Health Centre for more information on how to get tested etc.

### **Gitsegukla Health: 250-849-5231**

The Gitsegukla COVID-19 Counter on the website has been updated to note 1 COVID-19 case; however, there has been no recent contact with any band members living in the community.

Please continue to wear masks and physically distance inside public buildings and continue to wash your hands and use hand sanitizer on a regular basis, even if you are fully vaccinated.

### Vaccinations

As a reminder, vaccines will be available at the Health Centre for all members on Tuesday, September 14, 2021 from 11:00 AM – 4:30 PM.

### Vaccine Passport

Vaccine passports indicating receipt of at least one vaccine are now required to obtain non-essential services such as restaurants, public events etc. If you require assistance obtaining or printing your vaccine passport, please contact Gitsegukla Health.

If you have any other questions or concerns, please contact [GitseguklaCAO@mnp.ca](mailto:GitseguklaCAO@mnp.ca) and your concern will be raised to the appropriate party.
