Kindergarten

Both classes (Kg & N) had ten students each for most of the year. On the whole we had a very enjoyable year. The highlights were the field trips we took - to a Hazelton Kindergarten Class, to the Cummings Sheep Ranch, the ice arena, the library, the New Hazelton Post Office, and we also made a trip to Terrace to swim and roller-skate.

In the Classroom we studied ourselves, our families, our community. We also celebrated the seasons, e.g. Hallowe'en, Christmas, Valentine's Day with games and goodies. Verna Howard, our Teacher Aide, was very helpful in the classroom, especially with art and craft projects. This year we saw many videos for language art development and entertainment. A special time together was always our snack time. One day a week we tried making special things like apple sauce, cakes, cantelope, popcorn, etc. and the rest of the week the children brought food from home. I wish everybody a good holiday. Enjoy your summer and we'll expect you back in the fall, and I am looking forward in meeting the new Nursery group.
