Gitsegukla First Nation Water Operations Update

To members of Gitsegukla,

Effective August 24, 2022, B. Howard is no longer employed by Gitsegukla as Water/Wastewater Operator.

Gitsegukla Administration has made arrangements to ensure that a certified operator is overseeing the water supply and the wastewater discharged to ensure the drinking water quality is maintained for the safety of our members and protection of our territory.

As we seek to find a permanent solution to the vacancy the water supply and wastewater discharge will continue to be tested and maintained on a regular basis as required by all applicable laws and regulations.

Please direct any questions or concerns you may have to Trevor Doyle via email (GitseguklaCAO@MNP.ca) or by phone ((250) 734-4323).

Sincerely,

Gitsegukla Band Council
